

SCIENTIFIC PROGRAM

SCIENTIFIC PROGRAM

Advancing Regulatory Science. Accelerating Health Innovation.

The **Global Health Products Regulatory Science (GHPRS) Forum 2026** brings together researchers, regulators, healthcare professionals, industry leaders, policymakers, and international organizations to advance regulatory science and strengthen global collaboration for safe, effective, quality, and innovative health products.

Over four days, participants will exchange scientific knowledge, present research, explore innovation, establish partnerships, and contribute to the future of global health product regulation.

PROGRAMME AT A GLANCE

Day	Programme
Day 1	Global Regulatory Leadership Summit
Day 2	Scientific Forum, Oral & Poster Presentations
Day 3	Innovation, Industry & Business Forum
Day 4	ABG Global Collaboration Summit & Bali Declaration

View Detailed Programme →

SCIENTIFIC TOPICS

- Regulatory Science
- Pharmaceuticals
- Vaccines and Biotechnology
- Medical Devices and Diagnostics
- Artificial Intelligence and Digital Health
- Clinical Research
- Manufacturing and Quality
- Public Health and Health Policy
- Food, Dietary Supplements, and Cosmetics

WHY PARTICIPATE?

- Learn from internationally recognized experts
 - Present your research to a global audience
 - Publish in the GHPRS Abstract Book
 - Build collaborations across Academia, Business, and Government
 - Connect with regulators, researchers, healthcare leaders, and industry
-

CALL TO ACTION

Submit Your Research

SUBMIT YOUR RESEARCH

Contribute to the Future of Regulatory Science

GHPRS welcomes original scientific contributions from researchers, students, healthcare professionals, regulators, industry experts, and international organizations.

CONTRIBUTION TYPES

- Oral Presentation
 - Poster Presentation
 - Workshop Proposal
 - Symposium Proposal
 - Industry Scientific Session
-

IMPORTANT DATES

Activity	Date
Submission Opens	1 August 2026
Submission Deadline	15 November 2026
Acceptance Notification	Within 14 days after submission
Presenter Registration Deadline	20 November 2026
Presentation Upload Deadline	25 November 2026
GHPRS Forum 2026	1 – 4 December 2026

REVIEW PROCESS

Submit → Peer Review → Acceptance → Presentation → Publication

SCIENTIFIC AWARDS

- Best Oral Presentation
- Best Poster Presentation
- Young Investigator Award
- Best Student Presentation
- Regulatory Science Innovation Award

SUBMISSION GUIDELINES

Abstract Requirements

- English language
 - Maximum 300 words
 - Structured abstract:
 - Background
 - Objectives
 - Methods
 - Results
 - Conclusions
 - Three to five keywords
 - Original and unpublished work
-

Oral Presentation

- 10-minute presentation
 - 5-minute discussion
 - PowerPoint (16:9)
 - Presentation upload deadline: **25 November 2026**
-

Poster Presentation

- A0 Portrait (841 × 1189 mm)
 - English language
 - High-resolution graphics
 - QR code (optional)
-

Full Paper

Selected presenters may be invited to submit a full paper for publication consideration.

Requirements:

- English
 - 4,000–6,000 words
 - Microsoft Word (.docx)
 - Vancouver reference style
-
